CS M.Eng Program  
521 Rhodes Hall  
Ithaca, NY 14853  
meng-admissions@cs.cornell.edu

Name: \_\_\_\_\_ CU ID \_\_\_\_\_ NET ID \_\_\_\_\_  
Undergraduate Major/s \_\_\_\_\_ Cumulative GPA \_\_\_\_\_  
Final Undergraduate Semester: \_\_\_\_\_

Please check here to authorize the CS M.Eng Program Office to review your current academic transcript to determine your eligibility for the CS M.Eng Early Credit Option.

Please enter the course/s you need to complete to fulfill your remaining undergraduate degree requirements in your final semester. Include all courses you intend to take for M.Eng. Credits for undergraduate should equal at least one (1) but no more than eight (8). If intending to complete the M.Eng program in one early semester and one full time M.Eng semester, you must complete at least 10 credits towards the M.Eng. Your undergraduate coordinator or advisor (not faculty advisor) should sign the form and submit it to the CS M.Eng. Admissions team.

### Plans for completing undergraduate degree requirements in final semester

Course Number	Course Title	Credits	
		Ugrad	MEng
<i>(ex CS 4410)</i>	<i>Operating Systems</i>		

I certify that the student named above will have between one (1) and eight (8) credits remaining to complete all undergraduate degree requirements in their final semester as indicated above.
