## Note:

1. Projects must be taken for at least 3 credits and for no more than 6 credits.
2. All projects must be taken for a letter grade.
3. Make sure you enroll in the correct course section (this will be the section associated with your project advisor's name).  
If you are unsure how to enroll, please ask the M.Eng Office; this will prevent hassles later.
4. Your project will be considered complete when all of the following steps have been taken:
  - You submit any required documentation to your project advisor. (as determined by the advisor.)
  - You submit an electronic copy (PDF) of both your report to the CS M.Eng Office.
  - You receive a grade.

Please return this form to the Renee Milligan before the project add deadline. Completing and submitting this form is not a replacement for enrolling in your project.
